- UI/UX
- Problem solving

ABOUT ME

I am Chandrika M, a 2nd-year Computer Science Engineering student with a strong interest in coding and software development. I am passionate about learning new technologies and building my skills in areas like web development and programming. I enjoy problem-solving and am eager to apply my knowledge through hands-on projects. I am committed to continuous learning and growing as a future tech professional.

HACKATHON

SIH INTERNAL | st.joseph's institute of technology | August 2024

- My team, called "Code Commanders," worked together then created an website that solved real-world problems.
- This experience helped me improve my problem-solving skills and learn to work well in a team under pressure.

ACHIVEMENTS

- Completed 5 week courses 'Exploring C' and 'C for Everyone' on Coursera, Strengthening foundational C programming skills.
- Finished UI/UX internship at codsoft. Gained hands-on experience in user interface and experience design.
- Frontend Developer course at infosys through i created sample websites and hosted at <https://neocities.org/site/chandrika>
- Received a Certificate of Merit from St. Joseph's Institute of Technology for achieving a CGPA of 9.02.
